**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I am a residential customer, with my Internet Service Provider being Sonic. Sonic uses unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace; so a change of the existing regulations will affect my ability to retain internet access.

Prior to Sonic, I use to use AT&T; and had issues with their high price - low speed offerings.
